

Consecration Challenge

September 19-28, 2020

Have you ever done something difficult, something that you doubted that you'd be able to do that later became one of the best moments of your life? September 19-28, we challenge **you** to do something difficult that has the potential to change everything. This is going to be a challenge, but one that you will look back on with joy as a major milestone in your walk with God and of impact on your city!

We are inviting 120,000 believers around the globe to be part of a time of seeking God from September 19-28 by doing four things:

- 10 Days of fasting food at some level (Daniel fast – no meats/no-sweets, juice, water, or just eating one meal/day)
- Taking time off from work to focus on seeking God
- #10daysoff from Social Media and Entertainment
- 10 Days devoted to prayer, worship, and repentance with their families and other believers

Do you want to be one of 120,000 to say “yes” to this challenge?

Take some time to ponder the Consecration Challenge and ask the Lord if this is something He would like you to do. If so, communicate your commitment(s) to Him in prayer to separate yourself from the world and seek God through September 28. Also, let 10 Days know of your commitment by clicking [here](#).

Thanks for considering this! It's going to be an awesome journey.
